Description

This 2011 Ford C-Max TDCi Titanium boasts exceptionally low mileage for its age, with only 95,444 miles on the clock. This well maintained example is powered by a robust 2.0 litre diesel engine, offering an efficient and capable driving experience. The vehicle comes with an MOT valid until October 2026, providing peace of mind for the new owner. As a Titanium trim, it is equipped with a range of desirable features that enhance comfort and convenience., , The Ford C-Max TDCi Titanium stands out from other vehicles in its class due to its thoughtful combination of practicality and refinement. The 2.0 litre diesel engine ensures strong performance and economy, making it suitable for both daily commutes and longer journeys. The Titanium trim level signifies a higher specification, typically including features designed to make driving more enjoyable and effortless. With its comprehensive MOT and remarkably low mileage, this C-Max represents a
